

News and Announcements

**Workshop on
Techniques in Physiological Sciences (TIPS-2016)
for SAARC Nation
20th – 22nd December 2016
All India Institute of Medical Sciences, New Delhi, INDIA**

Workshop included in Scientific Program

- | | |
|--|--|
| WS-1: Assessment of Cardiovascular
Autonomic Function | WS-6: Pain Assessment in Humans and Animals |
| WS-2: Recording of Bereitschafts Potentials | WS-7: Pulmonary Function Testing by Spirometer |
| WS-3: Cognitive Function Testing | WS-8: Whole Night Polysomnography |
| WS-4: Quantitative EEG | WS-9: Transcranial Magnetic Stimulation |
| WS-5: Methodological basis of Expression
Microarray and Functional Genomics | WS-10: Assessment of Vascular Function |
| | WS-11: Yoga-based Meditation |

**APPICON 2016
National Conference of Physiology and Pharmacology
Organised by Department of Physiology
Venue : All India Institute of Medical Sciences, Patna, INDIA**

Pre Conference Workshop/CME
21st October 2016

Workshop
Advanced Bio-analytical Techniques

CME
Building Trust in Educational Environment

Conference

22nd – 24th October 2016

Theme of conference
"Physiological and Pharmacological aspects-
Tracking to molecules"

**Organizing Secretary
Dr. Ramji Singh**
